CHAIR FUND POLICY

The church, in exercise of its religious purposes and mission, has established a Chair Fund to enable donors to assist with the purchase new chairs for the church.

The church welcomes contributions to the fund.

The administration of the fund, including all disbursements, is subject to the control and discretion of the church council. The church council may consider how to handle recommendations from anyone, but in no event is the church council bound in any way to honor the recommendations.

Donors will not be permitted to recover a contribution on the grounds that the church council failed to honor the donor's recommendation.

The church recognizes that the chair fund is a vital part of the church's purpose and has established this fund as an ongoing fund. Should at any time in the future the church vote to close this fund, all money in the fund at that time will go in the general budget of the church.
