

Salvation Letter

Dear _____,

We really had a lot of fun in church and I'm really glad you got to have fun with us. But the best part of it all is that you found a new best friend when you accepted Jesus as your savior. I hope you've had a chance to start reading the little Bible we gave you after you prayed the prayer of salvation. If you haven't had a chance yet you could ask an adult to read it with you. Some of the things the Bible suggests you do is to talk to God every day and develop a relationship with Jesus and find out how much he loves you.

If you have misplaced your Bible please call me and let me know and I will be happy to make sure that you get another one that you can read. You can reach me at _____.

I've included some information about all the fun stuff we offer at _____.
If you don't already attend _____ or another church, check out the stuff I've included and come visit us sometime.

Be sure to come and say Hi to me!

You are Loved Bunches,
