Subject: Invitation to Church Anniversary

Dear [Parishioners Name],

It brings me much pleasure to extend this special invitation to you and your family in joining us at [Church Name] to celebrate the [Number of Years] anniversary of this church. It has been [Number of Years] wonderful years being in this community attending to the spiritual needs of the community, working with faithful parishioners like you.

The anniversary event will be held on [Date of Event] at our church premise, and we hope to see many friends and families at this special event. There will be songs, dramas, speeches and award ceremony with many charitable activities such as games and dances to fill the hearts with joy.

This anniversary celebration is an opportunity to thank God for all His provisions to you and me over these [Number of Years] years. Please feel free to contact me if you can be of any assistance to ensure the success of this event.

Thank you in advance of your full cooperation.

In Christ Jesus,
