Dear Friends,

A little love can certainly go a long way when our lives become unpredictable and chaotic or when we are facing trials of this life that can make us become weary, discouraged, fearful and sometimes confused.

A lot of us find that love we've been looking for in our very own church but there are many people still seeking and yearning for a little love, hope and a reassuring word. They haven't found a church that is reaching out with for them to welcome them where they can hear the message of unconditional love of our still speaking God.

Each year we receive a special offering that helps the church's love to grow and thrive called the [Name of the Special Church Mission]. These offerings will help fund and support programs for youth and young adults and nurtures current and future leaders in the church. This will help send the message of love of God of warm loving welcome into our world.

We will be receiving this offering on [Date of Offering] – the Church's 25th Anniversary. I invite you to celebrate this special occasion by giving to [Name of the Special Church Mission]. Your generous gift today ensures a vibrant church tomorrow.

Spread the love by giving from the love in your heart to this special mission. God is still speaking.

With Love,
