How to use this template: A membership directory is a good way to keep track of names, addresses, telephone numbers, and other information about people in your organization.

This membership directory is a booklet that you can print and distribute. To produce a booklet, you must have a printer that can-do duplex (both sides of the paper) printing or the ability to print one side and then print the other side. For example, you print pages 1 and 4, and then turn the paper over and print pages 2 and 3 on the reverse side.

When you are finished using these instructions, delete this text and replace it with a note about your organization.
