**Church Ministry Commitment Form**

Serving the Lord Jesus by serving His church is an essential component to faithful Christianity. Therefore, we are genuinely happy that you have expressed interest in volunteering at [Church Name]. To effectively do the work of ministry, commitment is required. Therefore, volunteers are asked to sign a commitment form prior to serving in a ministry. This form is intended to explain the terms and duration of this commitment.

**What is the Commitment?**

Below are the general expectations for being a volunteer at [Church Name]. These expectations are not intended to be an extra burden on you, but rather we believe these expectations can help you and our church better glorify God through faithful ministry. Volunteers are expected to:

- Walk with the Lord faithfully in their personal lives.
- Exhibit a Christ-like attitude and demeanor as they serve.
- Attend our Sunday morning worship service regularly.
- Fulfill their commitment to their volunteer position throughout the year.
- Know abide by [Church Name]’s ministry policies.
- Arrive at least 15 minutes prior to the start of an event.
- Schedule a substitute volunteer ahead of time.
- Participate actively in the ministry.
- Report needs or concerns to the ministry leader.
- Attend any periodic informational meetings when scheduled.
- Pray for those to whom they are ministering.

Please prayerfully consider these expectations before making a commitment to serve. If you have any questions, please contact a ministry leader or pastor.

**For How Long Am I Committing?**

We ask that you make a **one-year commitment** to serve. In this way, you greatly help the ministry leaders and pastors, because they know who they can count on for the year, which allows them to better be able to plan for these ministries.
