## Inclement Weather Policy (Sample)

### Inclement Weather

It's the policy of [Church Name] that during inclement weather, all Board Members will proactively call the Pastor or designee and state their individual opinions about whether or not to cancel a scheduled church service or church activity/event. Such calls should always be made at least three hours prior to the service or the activity/event. The Pastor or Pastor's designee will make the final determination. The Pastor or Pastor's designee will update the message on the church phone voice mail, ensure that any schedule change is posted on the church Facebook and on the church website.
