Invitation for the Minister's Meeting

Dear [Recipient's Name]

We are inviting you to the Minister's Meeting at [Church Name] that begins [Date of first service] and ends on [Date of last service]. These services will be nightly at [Time the service begins]. The physical address to [Church Name] is at the bottom of this letter along with a contact phone number if needed.

We are excited because there are so many churches that have experienced our Minister's Meetings previously and enjoyed them so much that now they have reached out to other churches to invite them to come and worship with us in this Minister's Meeting believing and knowing God is going to move in a mighty way. We encourage you to feel free to invite other ministers that might benefit from this meeting and share this letter with them if you want.

We love every one of you for your devotion and are confident that the time for growth in our churches and communities has come, as we reach out and extend personal invitations to those around us.

Sincerely,
