

## July 4<sup>th</sup> Church Activities

- Organize a local jump-rope team for girls jumping to Christian music or Christian rhymes. This will give opportunity for church kids to meet other local kids and invite them to church.
- Plan fun Adventure Days with moms and kids.
- Plan an outdoor Christian music concert some place locally where you can get a good turnout.
- Plan a Christian dinner theater dramatic production with your youth group.
- Invite your church neighborhood for a homemade ice cream party.
- Invite your community to your Youth Camp, Vacation Bible School or even Wednesday night Stuffed Baked Potato suppers. You might be very pleased at who will accept your invitation.
- Challenge every church member to plan a "Cookout with their Neighbors" at their home sometime in the month of July to develop friendships and invite them to church.
- Plan a huge church family yard sale with proceeds going to an entry sign for your local town/city. At the yard sale, play live Christian music and distribute Bibles, church brochures and fresh squeezed lemonade.
- Your youth group can organize a drive-through to pass out free snow cones and an invitation to Sunday Worship.
- The Sunday prior to the 4th of July, you can plan a *red, white and blue clothing Sunday*. Invite local government leaders to attend your worship service and give them a gift along with a voice of prayer for them.
