MISSIONS FUND POLICY

The church, in exercise of its religious purposes and mission, has established a missions fund to provide resources for the church, church members, or other worthy persons or organizations spreading the gospel of Jesus Christ. The fund can also provide resources to church members or other worthy individuals for short-term mission trips or support of long-term missions. The Church has made commitments from the general fund and will use designated giving to help meet these commitments before giving to other missions.

The church welcomes contributions to the fund.

The administration of the fund, including all disbursements, is subject to the control and discretion of the church council. The church council may consider recommendations from anyone, but in no event is the church council bound in any way to honor the recommendations.

Donors will not be permitted to recover a contribution on the grounds that the church council failed to honor the donor's recommendation.

The church recognizes that spreading the gospel is the primary purpose of the church and has established this fund as an ongoing fund.

Should at any time in the future the church vote to close this fund, all money in the fund at that time will go in the general budget of the church.
