

# Mother's Day Candy Sundae

## How to make a Candy Sundae:

This chocolate sundae is an easy and fast candy craft project.

### You Need:

- Sundae glass
- Hershey's Chocolate Kisses
- Straight Candy Cane or stick candy
- Life savers
- Curling ribbons
- Chenille wire or thin stem wire
- Scissors or wire cutter

### Instructions:

1. Prepare a Sundae glass (3.5" diameter x 6.5" height).
2. Fill the Sundae glass with the Hershey's Chocolate Kisses.
3. Insert candy cane stick.
4. Put Life Saver candy on top representing "whipped cream". You may use mini glue dots to hold these candies in place.
5. Take curling ribbons of several colors that match the kisses wrappers or you can buy ready-curved swirls.

- a. Take a piece of chenille wire and tightly wrap it around the middle of the curling ribbons. Instead of chenille wire you can use white stem wire. Curl the ribbons by pulling them over the edge of scissors.
- b. Insert the curling ribbons in your arrangement.

Your Candy Sundae with Chocolate Kisses is ready!

It is a very easy candy craft project, and I'm sure your Mom or whomever the case may be will love this sweet gift of yours.

You can add a beautiful Mother's Day/greeting card or and/or stuffed animal to this Candy Sundae if you wish. ☺
