

Happy Valentine's Day!

My Dearest _____,

*You stole my heart (or so I thought)...
By kind words and gestures sweet,
You safe-guarded it for all this time,
Through every single trembling beat!*

*So now I see through much clearer eyes,
To say you stole it is not true,
You've won it as a prize, My Love,
And I've gladly given it to you!*

I Adore and Love you Now and Forever, _____
