Dear Hero,

Thank you for your service to our great country. We could not enjoy the freedom we have today to live freely and enjoy our life and beliefs if it wasn't for you. The selfless men and women in uniform like you have inspired me to become a better person to my family.

I have included a photo in this letter of me and my family at our lake near where we live enjoying an awesome camping trip.

Thank you once again for giving of yourself so selflessly so that I can enjoy my family as you see in the photo.

God Bless You and Keep You Safe,

Dear Hero,

Thank you for your service to our great country. We could not enjoy our freedom and life if it wasn't for you.

I have always admired the bravery of the soldiers and wanted to join the Service when I grow up.

I have included a current photo in this letter of me and my mom and dad.

Thank you!

We keep you in our prayers always,

Dear Hero,

Thank you for your service to our great country. We could not enjoy this great freedom in America if it wasn't for you.

Thanks for helping me to sleep better at night because I know my children are safe in America. I have three very beautiful children (photo attached) and a wonderful husband.

America is safe because of our Heroes willing to defend it. I, as a mom, cannot thank you enough for your service to this country we live in today.

God Bless and Keep You Always,
