## One Nation Under God

by Roger Robicheau

One Nation Under God we live  
Think about all some had to give

We the people share freedom's life  
In a world of ever present strife

Be grateful to those who keep this true  
Warriors of our red, white, and blue

They're trained by those of great skill  
Honed to perform, so strong their will

They show what love is all about  
They'll fight for us, there is no doubt

Defending bravely what we are  
No holding back each heartfelt star

Highly praise these men and women  
Giving thanks time and again

Those in uniform will always be  
The golden pride of this country

## **American is This Hero**

by Roger Robicheau

American is this Hero  
In uniform standing tall

Ready, willing, and able  
To march, the will to face all

The proudest of our service  
Steadfastly meeting each call

The bravest of our country  
As were those upon The Wall

Displaying awesome courage  
A treasure you cannot install

Filled with total commitment  
To serve us for the long haul

America know this Hero  
Thank God and always recall

## **The American Hero**

by Roger Robicheau

The American Hero always comes through  
To capture our hearts with a spirit so true

Some proudly are soldiers who march in harm's way  
Insuring our freedom, courageous they stay

While others come forth as civilians so brave  
Determined in purpose, so steadfast to save

We should always keep clear a place in our heart  
For each has a value beyond precious art

Their duty to country will not be surpassed  
Please honor their courage, for some it's their last

We live in a world which can be hard to bear  
Thank God for these people, how greatly they care

Do ponder new heroes and what they will face  
And pray for their safety no matter their place

Our heritage brings out the best, we all know  
Our great book of heroes is destined to grow

### **Americans in Strength**

by Roger Robicheau

Americans in strength unite  
This union born in freedom's light

United States, how sure we are  
We'll pull together, near and far

The world can see of what we're made  
Each state is of the highest grade

Determination, filled with pride  
Our people's will won't be denied

Our founding fathers set to stay  
The road we've traveled to this day

A quest for right cannot be wrong  
With help from God, we will stay strong

Support our troops ranks number one  
For the job they do is never done

When forced they put it on the line  
True patriots, when called they shine

Let's raise Old Glory with a cheer  
And thank all soldiers, past and here

### **Home of the Brave**

by Roger Robicheau

Through the feel of war they brave this day  
How proud they stand, their unselfish way

Our soldiers bear what we cannot see  
They assure our right to live life free

Each trained will face an unknown fate  
Our support they need, don't hesitate

Just imagine how this land would be  
Without their courage - catastrophe

All the liberties we have grown to know  
Would not exist, this life would go

Find a thankfulness within your mind  
Speak gratitude for our bravest kind

Have the willingness to show you care  
For fallen heroes, hold back no tear

Reach out to God with his guiding light  
For our troops do pray, both day and night

America raise your flags to wave  
For we truly are 'home of the brave'

## **They Keep Us Free**

by Roger Robicheau

In time of need their will is sure  
American, their freedom pure

Protect our life and liberty  
Unselfishly, they keep us free

Each soldier knows what is at stake  
The risk is grave, there's no mistake

With pride they serve our country strong  
They face each foe to come along

Remember them while in your home  
Or where you choose to freely roam

Don't take for granted what you see  
Some left this life, so it could be

To God I urge you all to pray  
For soldier's brave, to face each day

We should be thankful, one and all  
For those who march to meet each call
